## Profile:

I am looking to transition into the field of web development. As a developer, what I lack in experience, I make up for in passion and drive to learn. I am eager to take on new challenges and contribute to projects that make a meaningful impact. I am looking for an opportunity to join a company where I can grow and learn as a web developer and where I can put my skills to use in real-world projects.

## Projects:

- Tip calculator app: [Solution URL](#) || [Live Site URL](#)
- FAQ accordion card: [Solution URL](#) || [Live Site URL](#)
- Interactive rating component: [Solution URL](#) || [Live Site URL](#)
